★ **OPEN WALLS** In the main gallery, six emerging artists each make impressive and quite different use of one wall for displays of painting, photography, video or installation; the exemplary ancillary shows and debuts include "The Early Show," a survey of childhood and teenage efforts by 40 contemporary artists. The total confirms White Columns as the liveliest of Manhattan's revitalized veteran alternative spaces. White Columns, 320 West 13th Street (entrance on Horatio Street), West Village (212) 924-4212, closing tomorrow. (Smith).
