

EVENT HORIZON: ART HAPPENINGS AROUND NEW YORK

9 Art Events to Attend in New York City This Week

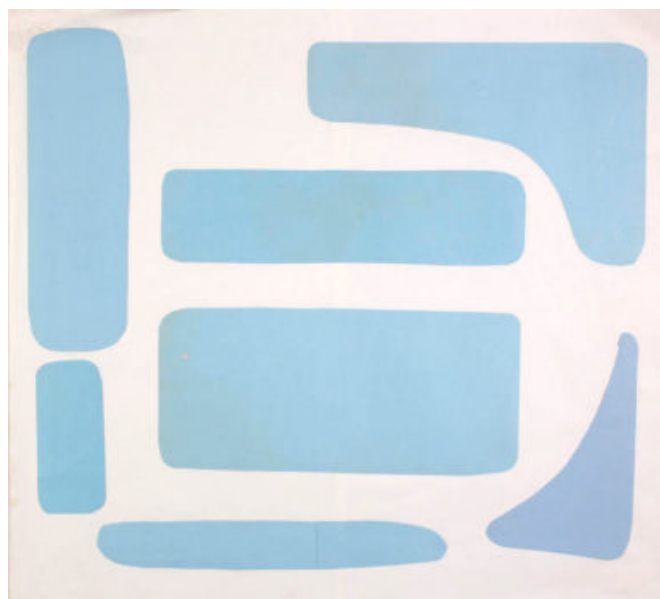

By The Editors of ARTnews

THURSDAY, JANUARY 17

Opening: Rhoda Kellogg at White Columns

This show, the first-ever exhibition devoted to work by Rhoda Kellogg, will feature a selection of the late psychologist and educator's own collages, drawings on paper, and furniture designs. Throughout the course of her career, Kellogg collected over one million drawings made by kids between two and six years old, and this show will also feature historical documents related to her extensive study of children's art. The presentation is organized in collaboration with the Rhoda Kellogg Archive and curated by artist Brian Belott, who, in 2017, put together an exhibition of Kellogg's archive of children's art at Gavin Brown's Enterprise in New York.

White Columns, 91 Horatio Street, 6–8 p.m
